1 2 &                Rock step right back, recover forward onto left in place, step right beside left (&)

3 4 &                Rock step left forward, recover back onto right in place, step left beside right (&)

**ENDING: On wall 7 (starts front wall) dance the first 3 counts, then touch right beside left, music  
fades slowly.**

**The Dance has always been a very special song to me, and I've chosen to release it on the  
anniversary of my Fathers passing, this song was played at his funeral in 2001. I'd like to also  
dedicate this dance to Trish Graham, in memory of her late husband Ray Graham who passed in  
2018.**

**This is an original dance sheet, feel free to copy without change for distribution**
